

**Young Professionals of LAGCOE to host fifth annual
LAGCOE Sporting Clays shoot**

FOR IMMEDIATE RELEASE

LAFAYETTE, La. (January 24, 2018) – Young Professionals of LAGCOE will host the fifth annual LAGCOE Sporting Clays Shoot Saturday, February 24, at GOL Shooting Complex, 11919 Louisiana 697, Maurice, LA 70555.

The shoot will be limited to 80 teams, filled on a first-come, first-served basis, with an entry fee of \$250 per four-person team, which includes a 100-bird sporting clay course, food and refreshments. The shoot features flights at 9:00 a.m. and 11:00 a.m., and team and individual prizes will be awarded. For more information on team registration and sponsorship privileges, or to register online, visit:

www.LAGCOE.com/events/lagcoe-sporting-clays.

“LAGCOE Sporting Clays tournament has consistently been a great event,” LAGCOE Board of Directors member, Tom Hebert said. “It’s a good opportunity to support the future growth of the energy industry while networking and having fun.”

The mission of the LAGCOE Sporting Clays Shoot is to support the LAGCOE Education Fund, a Fund at the Community Foundation of Acadiana, that provides 501(c)(3) funding for projects and programs that support educational efforts for or about the energy industry. With fund raised by past LAGCOE Sporting Clays shoots, the LAGCOE Education Fund has provided college scholarships to five students currently pursuing a STEM-centric degree, created an endowed professorship at SLCC, supported programs at the ULL College of Engineering, and supported LAGCOE programming for workforce development programs and career fairs as well as the Future Energy Professionals Program.

###

LAGCOE is a nonprofit energy industry organization focused on educational programs and a technical exposition & conference. LAGCOE’s mission is to cultivate economic growth of the energy industry by facilitating domestic & global business development and fostering the energy workforce pipeline.
