Quick Facts

Exhibitor Move Out

Friday, October 11, 2019	3:00 PM	to	8:00 PM
Saturday, October 12, 2019	8:00 AM	to	8:00 PM

Dismantle & Move out Information

Shepard will begin returning empty containers and skids as soon as the aisle carpet is removed from the floor. All exhibitor materials must be removed from the facility by Saturday, October 12, 2019 8:00 PM. Any materials remaining in the hall will be rerouted or returned to Shepard's warehouse to await disposition at the exhibitor's expense.

To ensure all exhibitor materials are removed from the facility during the exhibitor move out, please have all carriers checked in with Shepard no later than Saturday, October 12, 2019 8:00 PM

Post Show Paperwork & Labels

Our Customer Service Representatives will gladly assist you in preparing your outbound shipping labels, outbound Material Handling Authorization paperwork, and outbound shipping in advance. You may find these forms included in this exhibitor services catalog. An email with links to an online portal will also be sent to the exhibitor contact on record for the booth. Labels and paperwork will also be available onsite. Make sure your carrier knows your company name, booth number, and the carrier check in deadline.

Outbound Shipping

It is the responsibility of each exhibitor to arrange for transportation of booth materials after the event. Our Customer Service Representatives are available pre show, during the show, and during move out to assist you in arranging shipping through our official carrier Shepard Logistics. For peace of mind and easy set up, contact Shepard Logistics before the event for transportation services to and from the event.

Shepard does not provide UPS, FED-EX, or other carrier specific labels. Exhibitors must schedule pick ups directly with all carriers.

Move Out times and procedures may change due to show site and operational conditions. Move out information will be provided on site during the event.

SWIFT CODE (US): PNCCUS33

SWIFT CODE (INTL) PNCCUS33

Please include the show name, event code and your booth # as well as the wire fee if you are sending a wire transfer, ACH payment, or check.

TAX EXEMPT? Please submit tax exemption certificate to: houston@shepardes.com

If you are tax exempt, you must provide a tax exemption certificate for the state in which the event is being held.

You are entering a contract which limits your possible recovery in case of loss or damage.

The terms and conditions set forth below become a part of the contract between Shepard Exposition Services, and you, the Exhibitor. Exhibitor is deemed to accepted these terms and conditions when any of the following conditions are met:

Exhibitor materials are delivered to the Shepard warehouse or to a show or exposition site for which Shepard is the Official Show Contractor, or an order for labor and/or rental equipment is placed by the exhibitor with Shepard.

Definitions and Shepard Responsibilities: The name "Shepard" shall be construed within the meaning of this contract as Shepard Exposition Services, Inc. and its employees, officers, agents, and assigns including any subcontractors Shepard may appoint. The term "EXHIBITOR" refers to any party who contracts for services with Shepard. Shepard shall be responsible only for those services which it directly provides, and hereby agrees to execute its contracted duties in good faith. Shepard assumes no responsibility for any person, parties, or other contracting firms not under Shepard's direct supervision and control. Shepard shall not be responsible for loss, delay, or damage due to strikes, lockouts, work stoppages, natural elements, vandalism, acts of God, civil disturbances, power failures, acts of terrorism or war, or any other causes beyond Shepard's reasonable control; or for ordinary wear and tear in the handling of materials. Due to the security and liability requirements, Shepard personnel will unload all vendor materials from the loading docks to the booths.

Indemnification: The exhibitor agrees to indemnify, forever hold harmless, and defend Shepard and its employees, officers and agents from and against any and all claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses on account of personal injury or death, damage to or loss of property or profits arising out of, or contributed to by any of the following: (1) exhibitor's negligent supervision of any labor secured through Shepard or the negligent supervision of such labor by any of the exhibitor's employees, agents, representative, invitees, and/or exhibitor appointed contractor (EAC); (2) exhibitor's negligence, willful misconduct, or deliberate act, or such actions of exhibitor's employees, agents, invitees, representatives, or EACs at the show to which this contract relates, including but not limited to the misuse, improper use, unauthorized alteration, or negligent handling of Shepard equipment; or (3) exhibitor's violation of Federal, State, or Local ordinance; or violation of show regulations and/or rules as published by the Facility and/or Show Management.

Payments are due prior to delivery of services or equipment to EXHIBITOR unless other credit arrangements have been made. All payments shall be in U.S. currency, MasterCard, VISA, or American Express, debit cards, or check, provided there is sufficient customer credit in EXHIBITOR's form of payment to completely satisfy the amount owed by EXHIBITOR to Shepard. Undersigned authorizer acknowledges and agrees that all applicable charges for services rendered to the EXHIBITOR will be applied to the credit card on file in the event other form of payment is not tendered prior to the close of the trade show. In no instance shall any Exhibitor be extended credit beyond 30 days after the close of the Show. If there are any outstanding balances owed by EXHIBITOR to Shepard which have not been paid after 30 days following the close of the Show, then these unpaid balances shall bear interest at the rate of 1-1/2% per month (18% per annum). Exhibitor will be responsible for all charges incurred by Shepard while endeavoring to collect this account.

Show Site Orders: Services ordered at show site will require full payment at the time the order is placed. Purchase orders may not be used in lieu of payment. Regular prices will apply to all show site orders. Floor orders are limited to availability.

Third Party Orders: If you contract your work to a display or exhibit house and require services from Shepard, the payment policy stated above applies. Please pass this information on to them. A Third Party Payment form must be completed and submitted three weeks prior to show opening.

Equipment Audits: EXHIBITOR should be advised that routine audits of Exhibitor booths for service usage are conducted during the Convention. Should the result of such an audit indicate that equipment or services is in fact being used that has not been paid for, the Exhibitor will be charged for the equipment or service at the applicable rate.

Exchanges and Cancellations: Onsite exchanges and cancellations in orders will be assessed a 100% pick-up fee. Custom products: All orders cancelled by the exhibitor within 30 days of first day of exhibitor move in day may be subject to cancellation fees up to 100% of the total order, based upon the status of move-in, work performed and/or Shepard set-up costs or expenses. Standard Furnishings: There are no exchanges or refunds once item has been delivered to your booth. Cancellations must be received in writing within 14 days prior to first exhibitor move in day. Labor: Cancellations must be received in writing before 48 hours of 1st day of exhibitor move in, otherwise a 1 hour per man ordered will apply.

Invoices: Prior to close of show, an invoice will be prepared and emailed to the booth contact on file for your review. Credits will be issued at show site only. If you have any questions or want to pay your invoice by check or cash, please see our customer service representatives at the service desk on site.

Outbound Services: All outbound services will be processed on your credit card. A copy of the receipt and invoice will be mailed within 10 days of the close of the show.

Rental Responsibility: All materials are on a rental basis and shall remain the property of Shepard. The customer shall be held financially responsible for any damage to Shepard equipment used by the customer. Prices quoted are for the duration of the show and include installation, rental, and removal except where indicated. If skirting and carpet colors are not selected, show colors will prevail.

International Customers: International customers must pay for all services in U.S. funds. A \$50 service charge will be added for processing checks or wire transfers drawn on foreign banks.

U.S. Wire Transfers: A \$25 service charge will be added for processing U.S. wire transfers. Please complete the wire transfer portion of the Payment Authorization form. The credit card portion of the form must still be completed before your order will be processed.

Tax Exempt Status: If you are tax exempt in the state where the show is held, a copy of the certificate must accompany your order.

Exhibitor Information: Exhibitor permits all contact information provided to Shepard to be used by Shepard and shared with other entities assisting in the production of the event in question. Facsimiles and email communications may include show information, promotional materials, advertising statements and other commercial notices. Permission may be revoked by the EXHIBITOR in writing.

Cancellation or Event Postponement: In the event the exposition or event is cancelled or postponed, Shepard reserves the right to charge for services rendered in preparation of the event or exposition as well as non-refundable costs incurred by Shepard.

Insurance: It is understood that Shepard is not an insurer. Insurance should be obtained by the EXHIBITOR. It is highly recommended that exhibitors arrange All Risk coverage which usually can be done by endorsements to existing policies. EXHIBITOR's materials should be insured from the time they leave their firm until they are returned after the close of the show. Insurance and liability against theft or property damage to equipment or exhibit material owned or rented by EXHIBITOR, or bodily injury occurring within the confines of EXHIBITOR's booth, remain the sole and complete responsibility of EXHIBITOR. Except where prohibited by law, the EXHIBITOR and its insurers waive all rights of recovery or subrogation against Shepard and their respective directors, officers, employees, and agents.

Claim(s) for Loss and Payment For Services: Exhibitor agrees that any and all claims for loss or damage shall be submitted to Shepard prior to the conclusion of the show when the alleged loss or damage occurred prior to that time, and in all cases within 30 days of the conclusion of the show. For claim reporting purposes, the "conclusion" of the show shall be construed as the end of the day on which exhibitor must vacate the show site. All claims reported after the 30-day period will be rejected. In no event shall a suit or action be brought against Shepard more than one year after the date the loss or damage occurred. Payment for services may not be withheld. In the event of any dispute between Shepard and the exhibitor relative to any loss or damage claim, the exhibitor shall not be entitled to and shall not withhold payment for Shepard services as an offset against the amount of the alleged loss or damage. Any claim against Shepard shall be considered a separate transaction and shall be resolved on its own merit.

Limits of Liability: If found liable for any loss or damage, Shepard's sole and maximum liability for loss or damage to exhibitor's materials will be limited to the repair or replacement with like kind and quantity, subject to a dollar amount not to exceed \$5.00 (five dollars) per pound based on the weight of the articles for which Shepard specifically acknowledges receipt in writing. Shepard shall in no event be liable for collateral, exemplary, indirect costs or damages, or loss of sales resulting from, or related to, a claim for loss of or damage to material.

Inbound and Outbound Shipments: Consistent with trade show industry practices, there may be a lapse of time between the delivery of shipment(s) to the booth and the arrival of the exhibitor or his representative. During such time, the materials will be left unattended. Shepard is not, and cannot be, responsible for loss, damage, theft, or disappearances of exhibitor's materials after same have been delivered to the exhibitor's booth. Similarly, there may be a lapse of time between the completion of packing and the actual pick up of exhibitor's materials from the booth for loading onto a carrier. During such time, the materials will be left unattended. Shepard shall not be responsible for loss, damage, theft, or disappearance of exhibitor's materials before same have been picked up for loading after the show. All materials will be checked at the booth at the time of loading using document(s) submitted by the exhibitor and notations of exceptions to conditions of materials or piece counts will be made on said document. Shepard assumes no responsibility for loss, damage, theft, or disappearance of exhibitor's materials after same have been delivered to exhibitor's appointed carrier or agent for transportation after the show. Shepard loads materials onto the carrier's truck under the supervision of the carrier driver who checks and signs for the materials. Shepard assumes no liability for any materials after the carrier assumes custody of materials. If exhibitor's designated carrier fails to show by the move out deadline after a show, Shepard shall have the authority to route exhibitor's shipment via an alternate carrier, or return shipment to a local warehouse for disposition at exhibitor's expense.

Packaging, Crates, and Empty Containers: Shepard shall not be responsible for surface damage to loose or uncrated materials, pad-wrapped, or shrink-wrapped materials. Shepard shall not be responsible for concealed damage, damage to carpets in bags or poly, or damage to materials improperly packed. Shepard shall not be responsible for crates and packaging unsuitable for handling, partially assembled, or having prior damage. Affixing "Empty" storage labels to containers is the sole responsibility of the exhibitor or his representative. All previous labels should be removed. Shepard assumes no responsibility for removal or misdelivery of containers with old labels or incorrect information on labels or for loss or damage to materials stored in containers labeled "empty."

Exhibitor Appointed Contractor

Discount Deadline Wednesday, September 11, 2019

This form is to be completed by the Exhibitor and returned to Shepard by deadline date noted above.

Exhibiting Company Name Booth # Contact Email Address

An Exhibitor Appointed Contractor (EAC) is a company other than the "general or official" service provider on the show that requires access to your booth during installation and dismantling. The EAC may only provide services in the facility that are not designated by the facility as "exclusive" to a designated provider, or by the event organizer in a contract as an exclusive service for the "general or official: service provided or other third party.

No EAC will be allowed to work in an exhibitor's booth if this EAC form, a valid form of insurance, a third party payment authorization form and an exhibitor payment authorization is not completed by an authorized representative and received by Shepard by the due date indicated above. The Form must be completed for every third party (as well as any other ordering third party ordering or requesting services from Shepard on behalf of exhibitor) at the above event. Multiple booths are not to be listed on one form. If form is not submitted by deadline date, the EAC will not be allowed to perform work in the hall except to supervise the official contractor provided labor.

Exhibitor Appointed Contractor Contact Name Street Address City Phone # Description of proposed service for Exhibitor

The EAC hired by the exhibitor must, by the deadline date, provide Shepard with a current Certificate of Insurance with minimum limits of \$500,000 property damage per occurrence, \$1,000,000 personal injury per occurrence, workers compensation aggregate coverage of \$1,000,000 per occurrence, and naming Shepard Exposition Services as the certificate holder for the time period of the event, including move-in and move-out days. Listing Shepard Exposition Services as an additionally insured only will not be accepted, and may prevent EAC from working on the premises. If EAC does not have minimum coverage and proper documentation, they will be subject to employing Shepard Exposition Services for labor services.

The EAC must abide by the rules and regulations of the show and all pertinent union regulations.

EAC employees must wear approved identification badges at all times while in the work area. Badge will be issued at show site to authorized contractor representatives when all requirements have been met.

The EAC must confine its operations to the exhibit area of its clients. No service desks, storage areas or other work facilities will be located anywhere in the facility. Show aisles and public areas are not part of the Exhibitor's booth space.

Solicitation of business by EAC is strictly prohibited. EAC companies discovered soliciting will be removed from the show floor and the exhibitor will not be able to use that EAC for the remainder of the event.

The EAC must have all business licenses, work permits and insurance required by State and City governments and Facility Management before beginning work, and shall provide Show Management with evidence of compliance.

If required, the EAC must be able to provide evidence that it has current and applicable labor contracts and must comply with all labor agreements and jurisdictions. The EAC must not jeopardize the production of the event by any act or practice that would lead to work stoppages, strikes or labor disputes.

EAC employees must wear approved identification badges at all times while in the work area. Badges will be issued at show site, to authorized representatives, when all requirements have been met.

EACs agrees to keep all No Freight Aisles clear at all times. If SES is required to rearrange any material situated in a clearly No Freight Aisle, the exhibitor or the EAC depending on billing arrangements will be charged a 1 hour minimum forklift rental and labor.

Exhibitor Please Sign Exhibitor Signature

Shepard Logistics

Complete Transportation Services

Advantages of Shepard Logistics

- 10% material handling discount for round trip SLS customer shipments
- Volume discounting for larger shipments
- Guaranteed price quotes online with online booking and scheduled pick-up
- Preferred and confirmed target times inbound
- Pre-printed bills and shipping labels correctly formatted inbound or outbound
- Free 30-day pre-event storage charges
- Ship direct to show site and avoid warehouse charges when facility permits
- Automated tracking and delivery status reports via email
- No driver waiting time charges inbound or outbound
- No additional trade show fees
- Priority Empty Return Labels to all inbound Logistics Customers
- Guaranteed pick-up outbound from show, with immediate loading following empty return
- Guaranteed on-time delivery to destination city, facility, or warehouse or it is free

Benefits of Shepard Logistics

- Security; immediate outbound loading reduces risk of pilferage or misloading
- Convenience; less paperwork and less tracking
- Efficiency; scheduling travel, labor reliably, and possibly avoiding weekend overtime charges inbound
- Cost Saving; discounting of material handling charge

To take full advantage of the Shepard Advantage, contact

logistics@shepardes.com

SHIPPING VERSUS MATERIAL HANDLING

WHAT IS SHIPPING?

Shipping is the process of a carrier picking up your items from your office or place of origin and transporting it to the dock of either the advance warehouse or facility dock of your event. It is separate from Material Handling. Exhibitors may use any carrier they want, including Shepard Logistics.

WHAT IS MATERIAL HANDLING?

Material Handling is the process of receiving your shipment from your carrier and managing it through the event cycle. It is a standard tradeshow process and it is a chargeable fee typically based on the weight of your shipment. Don't forget to add Material Handling to your budget!

ONE EASY WAY TO KEEP YOUR CHARGES LOWER?

**Consolidate, Consolidate,
Consolidate!**

Skid items as much as possible so that they are sure to arrive together. Each shipment that arrives at a separate time is assessed the minimum charge. Whether you ship to the advance warehouse or show site it is in your best interest to consolidate as much as possible.

Material Handling Process:

- Unloading the trade show freight from your carrier once it arrives at the receiving dock.
- Transporting your shipment to your booth space.
- Removing empty shipping containers (boxes, crates, and pallets) from your booth.
- Temporarily storing your empty shipping containers during the show.
- Returning empty shipping containers to your booth once the event is over.
- Transferring the freight back to the loading dock.
- Loading the items into your carrier's delivery vehicle for return shipping.

\$\$ Saving Tip!
Use Shepard Logistics for inbound and outbound and receive a discount on your Material Handling fees!

Outbound Material Handling Authorization & Shipping Labels

Step 1: Complete Exhibiting Company Information:

Exhibiting Company Name _____ Booth # _____
Contact Name _____ Phone # _____
Email Address _____

Step 2: Tell us Where your items are going:

Company _____
Street Address _____ City _____ State _____ Zip _____

Step 3 How many Pieces are in your shipment?

_____ # of Crate _____ # of Skids _____ # of Cases _____ # of Cartons _____ Approx Total Weight

Step 4: How many Labels do you need? _____

Step 5: Who is picking up your shipment?

_____ OFFICIAL SHOW CARRIER: SHEPARD LOGISTICS OTHER _____
If selecting a carrier other than Shepard Logistics, you must schedule the pickup. This includes Fed Ex, UPS, etc.
If using FedEx or UPS you must have and apply their shipping labels.

Step 6: What type of Service do you need? (how fast does it need to get there?) _____ Ground _____ 2nd Day _____ Overnight

Step 7: If your carrier doesn't show up, what do we do with your items? _____ Reroute via the show carrier (Shepard Logistics)
_____ Return to warehouse (\$400.00 minimum charge)

In order to process your order, we require payment on file. Please complete the Payment Authorization Form and return to Shepard Exposition Services. If you have already placed an order with Shepard, we will automatically use the credit card on file for your company.

Agility

Fairs & Events

The experts in International Event Logistics

Agility Fairs & Events is the preferred International Freight Forwarder and Customs Broker for Shepard Exposition Services events.

Our complete services include:

- Shipment planning—packaging, documentation, scheduling
- Door pick-up at the overseas origin
- International shipping and Customs clearance at US air/port
- Final delivery to the Shepard advance warehouse or show dock
- Pick-up at the show site dock or Shepard warehouse
- Preparation of export documents
- International shipping and Customs clearance overseas
- Final delivery to the overseas return destination

Please Note: These rates are blended to include overtime rates.

Material Handling Rates

Ship Roundtrip with Shepard Logistics and receive a 10% discount on Material Handling*

Discount does not apply to shipments considered small package, local deliveries, "Light Weight" shipments, or shipments over 10,000 lbs. Roundtrip SLS shipping is required to qualify for discount. (35572)

What is Material Handling?

Material Handling is the unloading and delivery of exhibit freight to the exhibitor's booth on the show floor, the storage of empty containers, the return to booth for packing, and the loading back onto the exhibitor's outbound carrier. This is an automatic service and is billed based on weight. This service, whether used completely or in are part, are billed as a package.

Important!
All Material Handling fees will be automatically billed to the credit card on file!

How to Calculate Material Handling Services: The following services whether used completely or in part are offered as a package. When estimating weight, round up to the next 100 lbs. For example: 285 lbs. = 300 lbs./100 lbs. = 3 X RATE = \$ Amount or minimum charge, whichever is greater.

Standard Material Handling Rates: All rates are per 100 pounds with a 200 pound minimum charge. Certified weight tickets are required on all shipments.

Blended Rates: The rates stated are blended to include overtime based on the schedule at publication. Changes in schedule may result in additional fees.

Advance Warehouse Shipments

Weight	Crated	Special Handling	Total
	\$79.80	\$103.75	
35010		35036	

Direct to Showsite Shipments

Weight	Crated	Uncrated	Special Handling	Total
	\$74.20	\$111.25	\$96.50	
35030		35043	35038	

Light Weight (Shipments 40 pounds or less)

Total Shipment	Total
\$40.00	
35400	

Advance Warehouse Tips

Shipments can arrive to the Advance warehouse up to 30 days prior to move in. Single pieces over 5000 pounds or uncrated machines cannot be accepted at warehouse. Advance freight is typically delivered to your booth before direct shipments.

Direct to Show Site Tips

Freight must arrive only during published move in dates and times. Great for last minute shipments. Large pieces of machinery can be accepted.

Light Weight Shipment Tips

Consolidate! Shipments that weigh 40 pounds or less total will receive this special pricing. If you have multiple lightweight shipments, bundle them together so that you are charged for (1) one 40 pound shipment as opposed to multiple charges for shipments that arrive separately and at different days or times. All shipments must have certified weight noted on the package or bill of lading.

Overtime - 30% for each overtime application based on ST rate **Double Time** - 50% fee for each double time application based on ST

Early/Late Shipments to Warehouse: A surcharge will apply to shipments not arriving within the published dates (refer to Show Information page for dates) for advance warehouse or arriving on show site

Reweigh of Shipments: An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or an understated weight on delivery document.

Disposal Fee: A disposal fee & minimum 1 hour labor will be charged for all booth materials (booth displays, flooring, etc.) left unclaimed after show move-out.

We understand that your calculation is only an estimate. Invoicing will be **calculated from actual certified weight ticket** or reweigh ticket on inbound material handling receiving report. Adjustments will be made accordingly. Any adjustments to charges must be made at show site.

I acknowledge that all Material Handling charges are billable and will be charged to the credit card on file.

Machine Shipping Information

In order to ensure your **machinery** is properly handled and to avoid delays during set up, please provide the following information on your machines.

Email this form and machine diagrams to houston@shepardes.com by **TBD**

If you have questions regarding machines, please contact us!

Step 1: Complete exhibiting company information:

Exhibiting Company Name _____ Booth # _____

Contact Name _____ Phone # _____

Email Address _____

Step 2: How many machines are you shipping? Crated _____ Uncrated* _____

*Uncrated machinery, crated machinery over 5000 pounds, or machines requiring a flatbed truck will not be accepted at the warehouse. These items should be delivered directly to the facility on your designated target day and time.

Step 3: What is the weight of each machine?

1 _____ 2 _____ 3 _____ 4 _____ 5 _____ 6 _____ 7 _____ 8 _____

Step 4: What are the dimensions of each machine?

1 _____ 2 _____ 3 _____ 4 _____ 5 _____ 6 _____ 7 _____ 8 _____

Step 5: How is your machine being shipped? Flatbed _____ Closed Trailer _____ Container _____

Step 6: Do you need special equipment to unload?

Crane _____ Extended Forklift Blades _____ Rollers _____ Slings _____ Other _____

Step 7: Do you require a forklift in your booth space to unskid, assemble, or spot machinery? Yes _____ No _____

Step 8: Where are the pick points located on your machine? Top _____ Bottom _____

Step 9: What is the weight per square foot of each machine?

Note: 350 pounds per sq ft is the **maximum** allowed for this convention center. If you exceed this weight rating you must provide steel plating in order to disperse the weight.

Step 10: Please attach any photos or diagrams you have of your machines.

Machinery Rates

This form is intended for machinery only. For all other shipments, please refer to the Material Handling Rate page.

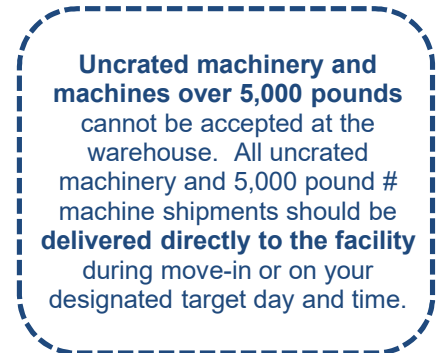

Important Things to Know!

- 1 Use of these specially discounted rates are for your **machinery shipments only**.
- 2 **Certified weight tickets** are required for all shipments.
- 3 **Mixed load** shipments without separate weight tickets **do not qualify** for the machinery rates and will be invoiced at the regular material handling rate. Adjustments will not be made.
- 4 When shipping a mixed load, separate weight tickets are required to distinguish between machinery and exhibit materials.
- 5 All shipments must have **proper inbound Bill of Lading** or carrier bill with weight breakdowns.

All other freight will be billed at **regular** Material Handling Rates.

For all Machine shipments, Shepard will do the following:

- Receive shipments consigned directly to the facility on installation days
- Deliver your machine to your booth
- Remove and store your empty containers
- Return your empty containers to your booth
- Load your outbound shipment on your carrier of choice

Straight Time Machinery Rates

Qty	Item Description	ST Time Rate	Sp Handling Rate
1,000 - 3,000 LBS		\$ 24.42	\$ 31.75
		35502	35702
3,001 - 10,000 LBS		\$ 23.10	\$ 30.05
		35505	35705
10,001 + LBS		\$ 20.40	\$ 26.50
		35508	35708

Overtime: 30% fee for each overtime application based on ST rate
Double Time: 50% fee for each double time application based on ST rate
Off Target Fee: 25% fee for each off target delivery

**A special handling rate is charged for extra labor or equipment required to unload or load machinery when it cannot be unloaded or loaded with a forklift in a normal manner. Examples of material handling requirements warranting special handling charges are: Rigging equipment on or off of a truck using jacks, chains, rollers, skates, straps, or cables; the use of multiple forklifts due to the length of the machinery or the lack of lifting points on the machinery, or due to the type of vehicle transporting the machinery.

We understand that your calculation is only an estimate. Invoicing will be **calculated from actual certified weight ticket** or reweigh ticket on inbound material handling receiving report. Adjustments will be made accordingly. Any adjustments to charges must be made at show site.

I acknowledge that all Material Handling charges are billable and will be charged to the credit card on file.

What is material handling (also referred to as drayage)?

Material handling is the process of unloading your freight from your shipping carrier, either at the warehouse or show site, delivering it to your booth, storing your empty containers (empties) if required, returning of your empties at the close of show, and then reloading your freight back onto your shipping carrier.

What is the definition of "freight"?

Any exhibit materials shipped or delivered to the advance warehouse or show facility via shipping carrier, POV, or delivery truck.

What is the difference between material handling and shipping?

Shipping is the process of carrying your shipment from your location, pick-up area to its destination and also the process of returning your shipment back to your location after the close of the show. Material handling begins at the time your shipment arrives to the docks (please refer to "What is material handling?" for the full definition.) These are 2 different items and are billed differently.

Do I need to order a fork lift to unload or reload my freight?

No, please do not order a forklift for unloading/reloading of your materials.

What does CWT mean?

CWT is an acronym for Century Weight. Your crated shipment is billed per 100 lbs.

What determines how much I'm charged?

Charges are based off the weight from your inbound weight ticket included with your shipment.

How do I calculate material handling charges?

Material handling services whether used completely or in part are offered as a package. When recording weight, round up to the next 100 lbs. EXAMPLE: 285 lbs. = 300 lbs./100 lbs. = 3 X RATE = \$ Amount or minimum charge, whichever is greater.

Will there be any additional charges?

Additional charges may apply. Please review the Material Handling Authorization and Material Handling Additional Services forms included in the manual for all applicable fees

What are Light Weight shipments?

All shipments regardless of carrier that weigh 40 pounds or less. Shipments need to have certified weight tickets or other verifiable weight noted upon delivery. Shipments without certified weight tickets may be subject to special handling or reweigh fees. Packages that arrive separately at different times or days will be billed separately.

All shipments, regardless of carrier, weighing 41 lbs and up will be billed using the standard material handling rates listed in the kit and billed at a 200 lb minimum as usual

How do I calculate my Light Weight shipment?

Charges for Light Weight shipments are total shipment weight, per delivery. Any shipment above 40lbs will not qualify for this rate. Please be advised that your whole shipment may not arrive to its destination at one time. Therefore you may be charged per each delivery.

What are Crated materials?

Materials delivered that are skidded or in a container that can easily be unloaded/reloaded with no special handling required.

What are Uncrated materials?

Materials delivered that are loose, pad-wrapped or unskidded without proper lifting bars and/or hooks.

What is Special Handling?

Shipments delivered that require extra labor for stacking or unstacking containers on a truck, tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials. Cannot be completed solely with one forklift and operator.

What are Advance Shipments?

All shipments that are addressed to the advance warehouse address (please refer to "Advance Warehouse" shipping labels included in this manual)

Shepard will begin accepting your shipments 30 days prior to first show open day (date may vary depending on show schedule)

The warehouse will receive shipments Monday-Friday, 8:00am - 4:00pm, excluding holidays

Shipments must arrive by advance warehouse deadline date to avoid a late surcharge. (Please refer to the "Show Information" page included with this manual for deadline date.

Crates, cartons, skids, fiber cases, and carpets can be accepted at the warehouse, but DO NOT ship crates weighing over 5,000 lbs., loose/uncrated shipments and/or machinery to warehouse. You must ship those items direct to show site.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required

All shipments must be prepaid, no collect on delivery shipments will be accepted.

What are Direct Shipments?

All shipments that are addressed directly to the exhibit facility (please refer to "Direct to Show" shipping labels included in this manual).

Shipments must arrive during published exhibitor move-in times only. Do not ship direct to show site in advance. If delivery cannot be guaranteed to arrive during exhibitor move-in, shipment must go to advance warehouse.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. Certified weight tickets required.

Crates weighing over 5,000 lbs. or loose/uncrated shipments must be shipped direct to show site to arrive during exhibitor move-in times.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

What is and why would I need liability insurance?

Accidents happen, therefore, most show organizers and facilities require liability insurance. Please refer to your booth contract for exact minimums required.

Please make sure your materials are covered from the moment they leave your company location to the time they return after the close of the show

If applicable, included in your manual is information and an application for liability insurance and booth coverage can also be purchased to protect your valuable exhibit materials

Outbound Shipping

You must complete a Shepard Material Handling Agreement (MHA) for all outbound shipments. A MHA will be distributed at show site if all services have been paid in full, or you can request one at the customer service desk.

Upon completion of packing and labeling of your materials, complete the bill of lading with all required information, and return to customer service. If you have questions on how to complete your bill of lading, please ask a Shepard customer service representative located at the customer service desk.

If you are NOT using the designated shipping carrier, you must call your carrier with pick-up information. If your carrier fails to pick up your shipment, Shepard will either reroute your freight through the carrier of our choice or return to the local warehouse (whichever is indicated on your MHA).

Material Handling Info

SPECIAL HANDLING DEFINITIONS Rate as shown on Material Handling Rate Form, approx 30%

Shipments received that are packed in a manner as to require additional handling/labor are deemed special handling. Examples of shipments falling into this category would be constricted space unloading, ground unloading, stacked shipments, designated piece unloading, shipment integrity, mixed shipments, no bill of lading or documentation, carpet/pad only shipments.

- Constricted Space - Freight packed in trailer to full capacity. Shipments are not easily accessible because trailer is loaded by cubic space, or top to bottom and side to side.
- Stacked Shipments - Shipments with multiple pieces stacked on top of one another throughout the majority of the truck or trailer requiring unstacking during the unloading process.
- Mixed Shipments - Mixed shipments are shipments that contain a mixture of uncrated and crated materials, and the uncrated portion is minimal deeming the shipment special handling but not uncrated. But in cases where greater than 50% of the load by volume is uncrated the load will be categorized as uncrated.
- Shipment Integrity - Shipments loaded on a carrier in a manner requiring separating or sorting to reestablish the integrity of each shipment.
- Carpet/Pad Only - Carpet and/or pad only shipments are time and labor intensive, and require additional manpower and tools (e.g. carpet poles, flatbed carts or scooters, dollies).
- No Documentation - Shipments received from small package carriers (including, among others, Fed Ex, UPS, & DHL) that are delivered without documentation or bills of lading that require additional sorting, processing, and tools for delivery.
- Designated Piece Unloading - Shipments loaded in such a manner that require the unloading/loading crew to be directed by driver remove items in a particular order, or unloading and reloading items to reach certain pieces behind others remaining on the trailer.

Padded Van Deliveries. This applies to van line carriers that transport freight at cubic displacement rates, operate a non-standard dock height equipment, require freight on the truck to be unloaded in a specific order or orientation, or require that freight on the truck be moved to unload the actual delivery.

DISPOSAL FEE Fee: .75 Per Lb Labor Rate \$88.70 Per Hour (OT/DT may apply)

A disposal fee & minimum 1 hr labor will be charged for all booth materials (booth displays, flooring, etc.) that are left unclaimed after show move-out.

OVERTIME/DOUBLE TIME Surcharge: Overtime: 30% Double Time: 50%

Shipments that are moved and/or handled on overtime and/or double time hours will incur a surcharge based on the handling times noted on the receiving/shipping documents. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the Shepard Service Desk AND the driver has checked in.

WAREHOUSE OVERTIME/DOUBLE TIME Surcharge: Overtime: 30% Double Time: 50%

Advanced shipments may be received during straight time hours at the warehouse location, however an overtime/double time surcharge may be applied to an advanced warehouse shipment due to required delivery schedule based on show move-in and move out hours beyond our control. This would also be true if freight was received after hours at the warehouse trapping facility.

EARLY/LATE SHIPMENTS TO WAREHOUSE Surcharge: 25% Minimum: \$50.00 35003

A surcharge will apply to shipments not arriving within the published dates (refer to Show Information page for dates) for advance warehouse or arriving on show site after show opening. Any shipment arriving to showsite after show open will be charged a surcharge.

UNCRACTED SHIPMENTS Rate as shown on Material Handling Rate Form

An additional charge of 50% (or as stated on Material Handling Authorization page) of the applicable material handling charge at the time of delivery shall be charged for all loose, uncrated, or unprotected shipments received at the show site docks. The charge is a one-time charge that includes both move-in and move-out of the show, and is based on the weight of the shipment handled.

OFF-TARGET DELIVERIES Surcharge: 15% Minimum: \$50.00 35004

For targeted shows (exhibitors who received/requested a Targeted Date/Time), a surcharge will apply if shipment is not delivered (or carrier has not checked in) during assigned target date/time.

MARSHALING YARD Surcharge: \$30 per Shipment 35250

Where Shepard Exposition Services as the show contractor must lease space for marshaling yard operations because no space is provided by the facility, Shepard may charge a one time fee per shipment processed inbound and/or outbound through the marshaling yard.

REWEIGH OF SHIPMENTS Surcharge: \$25.00 per forklift load 35282

An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or understated weight on a delivery document.

EMPTY CRATE STORAGE Surcharge: \$25.00 per piece, Minimum \$50.00 35105

A charge per crate, carton or skid applies when Shepard handles the storage and return of empties from a shipment not received by Shepard and therefore not subject to material handling charges.

LIGHT WEIGHT SHIPMENTS

Shipments weighing 40lbs or less will qualify for the light weight shipment rate. Shipments exceeding 40lbs will be billed standard Material Handling fees at the prevailing show rates. All shipments must have certified weight tickets. Shipments without certified weight will be subject to special handling or reweigh fees.

ENVELOPE DELIVERIES Surcharge: \$10.50 per envelope 35007

During show hours at the show facility, a charge will apply to receiving and delivering envelope packages to your booth.

MOBILE SPOTTING Fee: \$ 240.00 per round trip 35106

All vehicles must be escorted in and out of building by Shepard personnel.

Displaying a vehicle at the event? (including rolling stock, self-propelled, towed and/or pushed vehicles/machinery.)
 All vehicles must be escorted on and off the floor by a Shepard representative.
 Shepard charges a round-trip fee, per vehicle, to place a vehicle on the tradeshow floor.

Step 1: If you have a vehicle, make sure it is shown on the official floorplan by alerting Customer Service or your Event Management.

Step 2: Contact Customer Service to **schedule** your move in and out. Vehicle placement must be supervised by the Exhibitor.

All vehicles must be removed no later than **Saturday, October 12, 2019** **8:00 PM**
 Any vehicles left after that time are subject to removal by towing or other means. Exhibitors are responsible for all removal charges.

Important Rules and Regulations

Battery Cables must be disconnected
 Gas Cap must either be taped shut or have a lockable gas cap.
 Must contain less than 1/4 tank of gas.
 Keys must be given to Shepard Exposition Services to be held onsite.

Exhibitor is responsible for checking local Fire Marshal rules and regulations for additional requirements.

Code	Qty	Item	Roundtrip
35106		Motorized Unit/Vehicle Spotting	\$ 240.00

*Additional fees may apply if mobile spot cannot be driven into place and must be assisted or if scheduled mobile spot time is missed.

Signature indicates you read and accept the Payment Policy and Terms & Conditions.

No refunds or exchanges once item has been delivered to your booth.

Cancellations must be received in writing within 48 hours of 1st day of exhibitor move in.

Cartload Service

Cartload services are provided to those exhibitors arriving in privately-owned vehicles and have small hand-carried items that need to be delivered to and from the dock/booth location.

If you arrive with a truck, van, trailer, or truck with trailer filled with exhibit material you will not qualify for this service and will be redirected.

No personal trucks (one (1) ton & over), no rental trucks, trailers, or bobtails will be unloaded through cartload service.

All items must fit on flat bed cart (approximately 3'x4' in size) and weigh less than 200 pounds. If items are designated by Shepard personnel to be too large or too heavy, materials will be billed at regular material handling rates.

Your vehicle must unload on the receiving dock of the exhibit hall. Shepard personnel will direct vehicles. The cart is not authorized to enter or go to any parking structure. There must be two (2) people with the vehicle; one person to go with your product to the booth space and one person to remove your vehicle from the unloading area to the parking area.

Code	# of Trips	Item	Rate	Total
35151		Dock to Booth ST	83.52	
35152		Booth to Dock ST	83.52	
35153		Dock to Booth OT	125.28	
35154		Booth to Dock OT	125.28	

Cartload Service includes one laborer, one cart, one trip per rate listed above

ST - Straight time: Monday-Friday, 8:00 AM - 4:30 PM
 OT - Overtime: Monday-Friday, 4:30 PM - Midnight; Saturday/Sunday, 8:00 AM - 5:00 PM
 DT - Double-time: All other hours and holidays

On-site Storage

Onsite Storage is used when you have product you need to replenish during the event, or if you have items you don't want stored with the empty crates. Do not use this service for "Empty" storage.

Step One: Tell us who you are:

Exhibiting Company Name Booth #

Onsite Contact Onsite Cell Phone #

For liability reasons, only shipments for which material handling drayage charges have been paid to Shepard will be eligible for Shepard storage services.

All packages must be properly packed & labeled. Shepard Exposition Services' limit of liability will be \$5.00 per pound or \$500.00 per package or container, whichever is less. No uncrated material will be accepted at the warehouse.

Step Two: Choose the Type of storage to fit your needs

Accessible Storage Use this type when you need to pull items out of storage during the show.

Materials in Accessible Storage will be accessible during the event, but not necessarily by exhibitors. The charge for Accessible Storage is a daily storage fee plus a per hour labor fee each time materials are moved. (\$100.00 Minimum)

(35166)

Table with 4 columns: Item, Per Day, and two other columns. Rows include Pallets/Skids, 1/2 a Trailer, Full Trailer, Labor ST, OT, and DT.

For both storage options, there is no charge to return items back to your booth at the end of the event.

Secured Storage Use this type only if you do not need your items again until the end of the event.

Materials will be placed into secured storage and will be returned to your booth after the close of the show. The materials will be accessible during the show by Shepard personnel only. A minimum one-hour material handling labor charge at show rates will apply each time material is handled to or from storage. (\$100.00 Minimum).

(35068)

Table with 4 columns: Item, Per Sq Ft, # of Days, and Total. Rows include Labor ST, OT, and DT.

Signature indicates you read and accept the Payment Policy and Terms & Conditions.

No refunds or exchanges once item has been delivered to your booth.

Cancellations must be received in writing within 48 hours of 1st day of exhibitor move in.

Rental items found and in use in your booth are subject to "Standard" pricing.

Warehouse Storage

Warehouse Storage is used when you need a place to store your exhibit or product for days, weeks, or even until your next event. Pricing:

Warehouse storage rates are billed \$10.00 per cwt per month (\$100.00 a month minimum charge) 35006 Each shipment returned to the warehouse for storage will be billed \$20.00 per cwt (\$400.00 minimum) 35005 Onsite Material Handling fees do not include transportation or handling to and from the warehouse.

For liability reasons, only shipments for which material handling drayage charges have been paid to Shepard will be eligible for Shepard storage services.

All packages must be properly packed & labeled. Shepard Exposition Services' limit of liability will be \$5.00 per pound or \$500.00 per package or container, whichever is less. No uncrated material will be accepted at the warehouse.

Step One: Tell Us Who You Are:

Exhibiting Company Name _____ Booth # _____ Onsite Contact _____ Onsite Cell Phone # _____ Email Address _____

Step Two: Tell Us What You Are Storing:

How many pieces? _____

What are the dimensions of each piece?

Table with 6 columns: Length, Width, Height, Weight, Crate or Skid? and 6 rows: Piece 1 to Piece 6

Table with 6 columns: Length, Width, Height, Weight, Crate or Skid? and 6 rows: Piece 7 to Piece 12

Step Three: How Long Are We Storing Your Items?

From Date _____ To _____ Fees will continue until storage is picked up.

Step Four: What Do We Do With Your Items At The End Of The Storage Period?

Ship to another destination via Shepard Logistics* Transport to another Shepard event*: Pick-up is arranged with another carrier: *Additional fees will apply

It is the exhibitor's responsibility to make all arrangements for shipping, including utilizing Shepard Logistics. Items will not automatically be taken to the next event. Exhibitor should contact Shepard approximately 2 weeks prior to any storage movement.

Estimated Warehouse Storage: \$ _____ NA Tax*: \$ _____ Amount Due: \$ _____

Signature indicates you read and accept the Payment Policy and Terms & Conditions.

Storage Items will not be stored or released without a valid credit card on file.

Booth and
Carpet Cleaning

As the General Service Contractor, Shepard has the exclusive cleaning contract for this show. Other service contractors will not be permitted to provide this service on the show floor.

Booth Vacuuming

Vacuum Once

Code	Sq Ft	Service	Discount	Regular	Total
47050		0-399 sq. ft	\$0.48	\$0.60	
47051		400-900 sq.ft.	\$0.42	\$0.55	
47052		900+ sq. ft	\$0.36	\$0.45	

Daily Vacuum

Code	Sq Ft	Service	Discount	Regular	Total
47055		0-399 sq. ft	\$1.44	\$1.85	
47056		400-900 sq.ft.	\$1.32	\$1.70	
47057		900+ sq. ft	\$1.20	\$1.55	

Did you know....

Booth carpet is the first product installed on an exhibit floor. While carpet is installed clean, it will get dirty during the move in process due to debris in the air, aisles and other exhibitors. It is always recommended to order a one time vacuuming prior to the show opening.

Porter Service (includes emptying wastebaskets within the booth every two hours during the show)

Code	Sq Ft	Service	Discount	Regular	Total
47030		One Time Porter	\$0.50	\$0.65	
47031		Daily Porter	\$1.50	\$1.95	

Specialty Services

Mopping and Carpet Shampooing

Code	Sq Ft	Service	Discount	Regular	Total
47042		Mop One Time	\$0.66	\$0.85	
47022		Mop Daily	\$1.62	\$2.10	
47013		Sham/One Time	\$0.66	\$0.85	

Display Wipe Down (invoiced by man hours)

Code	Hours	Service	ST	OT	Total
47043		One Time	\$115.31	\$172.90	
47044		Daily	\$115.31	\$172.90	

If you have any issues at all regarding cleaning during the show, please contact the Service Desk immediately so we can make it right. Please do not wait until the end of the event.

Vacuuming, Porter Service, Mopping, and Shampooing are based on total booth sq ft regardless of area being cleaned. Minimum order of 100 sq ft.

Signature indicates you read and accept the Payment Policy and Terms & Conditions.

No refunds once the service has been performed in your booth.

Cancellations must be received in writing within 48 hours of 1st day of exhibitor move in.

Graphic Guidelines

ACCEPTABLE FILE FORMATS

Shepard uses the most current version of Adobe Creative Cloud. If providing native files from another version, please provide an .idml file.

Program File Extension

Adobe Acrobat	.pdf
Adobe Illustrator	.ai, .eps

Adobe InDesign	.indd, .idml
Adobe Photoshop	.tiff, .psd, .eps

WE DO NOT ACCEPT: Microsoft® Word®, Excel®, or PowerPoint® files for artwork/graphics.

Special Considerations

Create using a high-quality output.*

Vector artwork. Images embedded and fonts changed to outlines** or a packaged file.

Fonts changed to outlines** or a packaged file.

Raster artwork. File should be in CMYK color space.

FONTS

If creating artwork in Adobe® InDesign® or Illustrator® there are two options when supplying fonts. Supply us with PC format TTF fonts. Change fonts to outlines. This prevents font substitution through layout and production. REMEMBER: if creating outlines, text is no longer editable.

Package the fonts from InDesign or Illustrator (File → Package → Check “Copy Fonts”) and submit with your artwork.

ARTWORK GUIDELINES

Document Size & Specs

All artwork should be created at 100% size at 150 dpi or in a proportionally scaled down format (ex. 50% at 300 dpi or 25% at 600dpi). NOTE: Mark artwork to the dimensions it is sized to if not 100%. All content should be kept within the live area, leave approximately 2” all the way around artwork to ensure sign holder or structure metal does not cut off content.

COLOR

All artwork should be created/supplied in the CMYK color space. Please provide Pantone® colors/HEX code if we need to match a specific color during the printing process. All PMS colors should be converted to CMYK Process Color in the artwork. NOTE: Converting color from RGB to CMYK will change the vibrancy and the look of some effects, DO NOT design artwork in RGB. Colors may vary due to output devices.

ARTWORK FILE TYPES & RESOLUTION

Artwork can be created in several ways. Here are some things to consider.

Vector

Vector-based artwork is resolution independent and can be enlarged or reduced without loss of quality. This is the preferred file type and is most often created in Adobe Illustrator and used for creation of logos and clip art.

Raster

This type of file is resolution dependent and will reproduce poorly if the appropriate file resolution is not supplied. If you supply raster art, it is best to save your artwork in a 1 to 1 (full size) output ratio at 150dpi or higher. Lower resolutions (1MB or smaller) will result in reduced image quality. File size should not exceed 200MB (if possible). Raster images are most often created in Adobe Photoshop® and is most often used for photographic images.

Resolution

Artwork should be 150dpi at 100% scale or 300dpi at half size. This will ensure the artwork remains high resolution when printed at full size. See samples below.

Vector Logo at 200%

Raster Logo at 200%

High Resolution Logo

Low Resolution Logo

HANGING SIGN: If you have a sign or anything (truss, etc.) that has been approved to hang from the ceiling, **send it to the advance shipping warehouse** address. Hanging items must be identified and readily available since they are installed first, before the show floor becomes encumbered by freight.

Print at least one label for each box. Include the exhibiting company name and booth number. If you are creating your own labels, make sure the same information below is on your labels.

Structural Integrity
Statement

This form must be completed for all suspended structures. Please include the completed form with your hanging sign order forms.

As the contracted exhibitor, the display house or builder for the below exhibitor, do hereby certify and guarantee that the stress points for the hanging structure have been properly engineered and tested. We further certify that the structure can be hung safely and has been constructed to meet all applicable regulations and safety measures. We hereby release, indemnify and forever hold harmless the following:

**LAGCOE 2019
Ernest N. Morial Convention Center
Shepard Exposition Services**

along with their subsidiaries, their directors, officers, employees, representatives, agents and contractors from and against any and all liability, claims, damage, loss, fines, or penalties arising from the installation, use or dismantling of this structure. All hang points supporting in excess of 200 lbs. may be verified (metered) on site at the exhibitor's expense.

Hanging Signs 101

Things to Know!

All signs must be designed to comply with Show Organizer rules and regulations and facility limitations.

Shepard is responsible for **assembly, installation, and removal** of all hanging signs, overhead truss, attachment and removal of light fixtures for truss and lights, as well as any additional installation required for chain motors, span sets or other packages.

Only Shepard personnel are allowed in aerial lifts or operate mechanical equipment.

Only Shepard certified riggers can install and remove any and all hanging materials that will be flown overhead.

All signs, with the exception of banners, must have structural rigging points and signs exceeding 200 pounds must **include detailed construction plans** with a current structural engineer's stamp. Send these plans to Customer Service in advance of the first day of move in.

Include engineer-stamped drawings with hanging instructions as well as a set of assembly instructions (placement/orientation/height from floor) with the order. Shepard accepts no liability for any work completed without such instructions, when required.

If your sign requires electricity, make sure it is in working order and in accordance with the National Electric Code. Overhead Signs should be sent in a separate container directly to the **advance warehouse** using the Advance Hanging Sign shipping label.

Additional charges may be applied by Shepard due to regulations at the facility, weight limits, union jurisdictions, facility contracts, and in house providers. Including but not limited to: spanner truss for load points, additional labor for power and/or lighting specifics, additional materials, facility pick point ceiling fees, facility and/or in house exclusive labor charges, etc.

Hanging Sign Checklist

- Complete and Submit Payment Authorization Form
- Order Assembly labor to have your sign built by Shepard Certified Riggers
- Order Install and Dismantle labor for all Hanging Signs, Truss and Motors
- Order necessary Chain Motors, Rotating Motors and Truss
- Place electrical orders (if necessary)
- Submit Diagrams with orientation, dimensions and placement for ALL materials that will be flown overhead.
- Package Hanging Sign(s) in a separate container from exhibit materials
- Label Hanging Sign(s) using the Hanging Sign Shipping Label from this service manual
- Ship Hanging Sign(s) to the Advance Warehouse by: **Friday, September 27, 2019**

LABOR JURISDICTIONS NEW ORLEANS, LA

LABOR

Louisiana is a "right-to-work" state. Exhibitor personnel may set up their own exhibits if so desired using their own tools and company personnel. Union Labor is available to assist in the installation and dismantling of exhibit booths. Exhibit labor, freight and rigging labor, electricians and plumbers can be arranged for at established rates, using the enclosed order forms.

EXHIBIT LABOR JURISDICTION

Union exhibit labor claims jurisdiction for the installation and dismantling of prefabricated exhibits and displays when this work is done by persons other than company personnel. They may be employed by completion of labor forms enclosed in this manual.

Union Labor is not required to put your products on display, to open cartons containing your products, nor to perform testing, maintenance or repairs on your products.

If, however, you hire any labor to assist you, it must be through the Official Contractor or a contractor which meets all of the regulations as an Exhibitor Appointed Contractor.

MATERIAL/FREIGHT HANDLING JURISDICTION

Shepard Exposition Services has the responsibility of receiving and handling all exhibit materials and empty crates. Exhibitors may hand-carry their own materials into the exhibit facility. The use or rental of dollies, flat trucks and other mechanical equipment, however, is not permitted.

It is Shepard's responsibility to manage docks and schedule vehicles for the smooth and efficient move-in and move-out of the exhibition. Shepard will not be responsible, however, for any materials they do not handle. Shepard will have complete control of the loading docks at all times.

Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at the owner's expense.

The Fire Marshal absolutely prohibits the storage of empty containers in the exhibit hall. Arrangements have been made with Shepard Exposition Services to store empty crates. Please refer to the Material Handling Information sheet in this service manual for the handling of empties, disposal of skids, etc.

GRATUITIES /BREAKS

Tipping is expressly prohibited. This includes such practices as giving money, merchandise, or other special consideration for services rendered. Do not give coffee breaks other than mid-morning and mid-afternoon, when the union has a 15 minute paid break. Meal breaks are one hour. Any attempt to solicit a gratuity by an employee for any service should be reported immediately to Shepard Exposition Services.

IN GENERAL

Craftsmen at all levels must be instructed to refrain from expressing any grievances or directly challenging the practices of the exhibitor. All questions originated by labor are to be expressed only to Shepard Exposition Services. Exhibitors are asked to refrain from voicing labor complaints to craft personnel. Any questions regarding contract labor should be immediately directed to Shepard Exposition Services.

SAFETY

Safety of everyone working in the hall is of our utmost concern at all times. Standing on chairs, tables and other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Shepard Exposition Services cannot be held responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Labor Order Form included in this manual and the necessary ladders and tools will be provided.

Shepard Glossary

Advanced Freight – Refers to freight that has been sent to Shepard’s warehouse prior to the Event move in.

Advance Order – An order for services sent to service contractor prior to installation date.

Aisle Carpet – The carpet that is placed on the Event floor in the aisles to separate the booths.

Back Wall – Refers to the drape used at the rear of a standard booth.

Bill of Lading – A legal document that establishes the terms between the shipper (exhibitor) and transportation company (carrier) for the transport of goods between specified points for a specified charge. A bill of lading is required to be filled out and turned in at the Shepard Service Desk at the close of the show, after the exhibitor is all packed up, in order to Shepard to release the freight to the transportation company (carrier)

Booth Package – This term describes the equipment supplied to exhibitors from show management.

Certified Weight Ticket – Certified weight ticket is a required documented measurement used for shipping exhibit properties. All carriers checking into a Shepard marshaling yard are required to present a certified weight ticket at check in.

Common Carrier – A transportation company moving exhibitor freight, which usually only accepts crated materials that it can consolidate with the properties of other customers into one shipment bound for the same destination. Only Shepard can accept freight from a common carrier.

Corner Booth – An exhibit space with exposure on at least two aisles, usually found at the end of a row of inline booths.

CWT – “Century Weight” or “hundredweight”. The total weight of a crate is divided by 100 to obtain billable weight. 51,000 lbs / 100 = 510 cwt

Drayage – The service that includes delivery of materials to an exhibit space, removal of empty crates, storage of crates during the Event, return of crates at the end of the Event, and delivery of materials to the carrier loading area.

DT Labor – Double-time labor, or work performed on double time and charged at twice the published rate.

Empty Sticker – A colored sticker used to mark empty crates and boxes for storage provided in the material handling service. See Service Desk for Empty Stickers.

Exclusive Contractor – One who holds an exclusive contract with a facility or event manager to provide specified services to that facility or Event.

Exhibitor-Approved Contractor (EAC) – Also called an independent contractor, a supplier hired by an exhibitor to perform trade Event services independently of Event management-appointed contractors.

Exhibitor Kit – Also known as a Service Manual, this is package of information that contains all rules, regulations and ordering forms relating to an exhibition, provided to exhibitors by Event management.

Facility Carpeted – Indicates the exhibit hall and/or ballroom in which the Event is taking place is already carpeted.

Floor Order – An order for product or service placed after Advance Deadline therefore not eligible for discounted rates.

Floor Port – A utility box recessed in the floor containing electrical, telephone or plumbing connections.

Freight – Exhibit properties and other materials shipped for an exhibit.

Freight Desk – The area where inbound and outbound exhibit materials are handled at a trade event.

Forklift /Ground Rigging – Handling and assembly of machinery that requires the use of a forklift. This includes positioning and/or re-skidding of exhibitor material, machinery and equipment.

Hard wall – A type of exhibit construction in which walls are made of a solid material, rather than fabric.

I&D – Installation and dismantling of an exhibit by a labor source. Exhibitors may orders this service from the general contractor.

ID Signs – Typically a 7” x 44” cardstock sign that contains exhibitor name and booth number.

In-line – An exhibit that is constructed in a continuous line with other exhibits.

Island Exhibit – An exhibit with aisles on four sides. There is no pipe and drape construction provided to Island booths.

Labor – Contracted workers who perform services. When labor is ordered, hours are based on estimates and will be billed actual time incurred.

Requested times are not guaranteed and are based on availability. Minimum of one hour will be charged. Additional time will be billed in increments. Rates are based on when labor was performed: ST, OT, DT.

Logistics – Point to point transportation services for freight by an appointed carrier.

Marshaling Yard – A lot where trucks gather for orderly dispatch to Event site. When Shepard provides a marshaling yard, all carriers must check in, present a weight ticket, and will be guided to the docks to unload when a space is available. The same is true for the out of the show. Applicable fee applies.

Move In – Refers to the date and time that exhibitors gain access to a facility and are able to begin the construction and/or set up of their booth.

Mobile Spotting Fee – The charge for Shepard personnel to safely guide vehicles operated by exhibitors on the exhibit hall floor when approved by show management and if Shepard determines such activity to be operationally feasible and safe. All vehicles operated on the exhibit hall floor must be escorted by Shepard personnel. All local fire marshal rules and regulations apply. Please call customer service for details.

Move-out – The date/time specified by Event management for dismantling exhibits and clearing the exhibition floor. Also referred to as Tear Down.

Padded Van Shipment – Uncrated goods covered with blankets or other protective padding and shipped via van line.

Perimeter Booth – A booth space on an outside wall.

Pipe and Drape – Tubing covered with draped fabric to make up rails and back wall of a trade show.

Porter Service – A service that includes the emptying of wastebaskets within the booth at specific intervals during the show.

Quad Box – Four electrical outlets in one box provided by the electrical contractor.

Registration – This refers to an area that Event management uses to register and check in Event exhibitors, buyers and attendees. This is the place in which show badges can be obtained.

Rigger – A skilled worker responsible for handling and assembly of machinery.

Right-to-Work state – A state where no person can be denied the right to work because of membership or non-membership in a labor union. See the Union Rules and Regulations within your manual for specific guidelines.

Service Desk – The location at which exhibitors order services.

Side Rails – The wall between two booths used to divide exhibits, typically 3’ high.

Skirting – Decorative covering around tables and risers. Tables are skirted on 3 sides unless additional skirting is ordered.

Special Handling: An additional charge that applies to exhibits shipments requiring extra labor, equipment, or time for delivery to exhibit space.

ST labor – Straight time labor, or work performed during normal hours at the standard rate.

Targets – Exhibitor move in date/time prior to general move-in available by appointment only.

Visqueen – A clear heavy plastic sheeting that is placed over exhibiting carpeting after it is laid in order to protect it until show opens.

Guidelines for Display Rules and Regulations 2014 Update

The following *Guidelines for Display Rules and Regulations* have been established by the International Association of Exhibitions and Events™ (IAEE). *Guidelines for Display Rules and Regulations* are created to promote continuity and consistency among North American exhibitions and events. They are the model for most domestic exhibitions and events. It is recommended that exhibition organizers include a copy in the Exhibition Prospectus and/or Exhibitor Rules and Regulations.

This revised 2014 edition of IAEE's *Guidelines for Display Rules and Regulations* is offered as a resource for exhibitions and events organizers to use in creating consistent and fair exhibiting standards for their events. These *Guidelines* afford exhibitors a maximum return on their exhibit investments. Compliance with fire, safety, Americans with Disabilities Act (ADA), and other state, federal or provincial government requirements has also been addressed. However, always check with a local exhibition service contractor and the facility for local regulations.

It is IAEE's goal that the display rules and regulations, ultimately developed by each exhibitions and events organizer, shall provide exhibitors with all the information necessary to properly design and build exhibits, as well as plan their booth's layout and content. Show organizers should present the professional standards expected of exhibitors. Finally, they should assure all exhibitors, regardless of exhibit size or location, an environment conducive to successful interaction with their audiences.

IAEE is a global association that serves as the foremost authority on exhibitions and events management and operations.

**For display rules and regulations specific to an exhibition or event,
consult the exhibition or event organizer.**

Linear Booth

Linear Booths, also called “in-line” booths, are generally arranged in a straight line and have neighboring exhibitors on their immediate right and left, leaving only one side exposed to the aisle.

Dimensions

For purposes of consistency and ease of layout and/or reconfiguration, floor plan design in increments of 10ft (3.05m) has become the de facto standard in the United States. Therefore, unless constricted by space or other limitations, Linear Booths are most commonly 10ft (3.05m) wide and 10ft (3.05m) deep, i.e. 10ft by 10ft (3.05m by 3.05m). A maximum back wall height limitation of 8ft (2.44m) is generally specified.

Use of Space

Regardless of the number of Linear Booths utilized, e.g. 10ft by 20ft (3.05m by 6.10m), 10ft by 30ft (3.05m by 9.14m), 10ft by 40ft (3.05m by 12.19m), etc. display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. The maximum height of 8ft (2.44m) is allowed only in the rear half of the booth space, with a 4ft (1.22m) height restriction imposed on all materials in the remaining space forward to the aisle. (See Line-of-Sight exception on page 8.) Note: When three or more Linear Booths are used in combination as a single exhibit space, the 4ft (1.22m) height limitation is applied only to that portion of exhibit space which is within 10ft (3.05m) of an adjoining booth.

10' X 10' LINEAR BOOTH

Corner Booth

A Corner Booth is a Linear Booth at the end of a series of in-line booths with exposure to intersecting aisles on two sides. All other guidelines for Linear Booths apply.

FRONT VIEW

Perimeter Booth

A Perimeter Booth is a Linear Booth that backs to an outside wall of the exhibit facility rather than to another exhibit.

Dimensions and Use of Space

All guidelines for Linear Booths apply to Perimeter Booths except that the typical maximum back wall height is 12ft (3.66m).

End-cap Booth

An End-cap configuration is essentially an in-line (linear) booth placed in the position of a Peninsula or Split Island. For shows that have Line-of-Sight rules and not cubic content, this configuration must follow the dimensions below. For shows that have cubic content rules, the space may be used without restriction.

Dimensions

End-cap Booths are generally 10ft (3.05m) deep by 20ft (6.10m) wide. The maximum back wall height allowed is 8ft (2.44m) and the maximum back-wall width allowed is 10ft (3.05m) at the center of the back-wall with a maximum 5ft (1.52m) height on the two side aisles. Within 5' of the 2 side aisles, the maximum height for any display materials is 4'.

Peninsula Booth

A Peninsula Booth is exposed to aisles on three sides, and comprised of a minimum of four booths. There are two types of Peninsula Booths: (a) one which backs to Linear Booths, and (b) one which backs to another Peninsula Booth and is referred to as a “Split Island Booth.”

Dimensions

A Peninsula Booth is usually 20ft by 20ft (6.10m by 6.10m) or larger. When a Peninsula Booth backs up to two Linear Booths, the back wall is restricted to 4ft (1.22m) high within 5ft (1.52m) of each aisle, permitting adequate line of sight for the adjoining Linear Booths. (See Line-of-Sight exception on page 8.) A typical maximum height range allowance is 16ft to 20ft (4.88m to 6.10m), including signage for the center portion of the back wall. Double-sided signs, logos and graphics shall be set back ten feet (10') (3.05m) from adjacent booths.

FRONT VIEW

Split Island Booth

A Split Island Booth is a Peninsula Booth which shares a common back wall with another Peninsula Booth. The entire cubic content of this booth may be used, up to the maximum allowable height, without any back wall Line-of-Sight restrictions. A typical maximum height range allowance is 16ft to 20ft (4.88m to 6.10m), including signage. The entire cubic content of the space may be used up to the maximum allowable height. Double-sided signs, logos and graphics shall be set back ten feet (10') (3.05m) from adjacent booths.

SPLIT ISLAND BOOTH

Island Booth

An Island Booth is any size booth exposed to aisles on all four sides.

Dimensions

An Island Booth is typically 20ft by 20ft (6.10m by 6.10m) or larger, although it may be configured differently.

Use of Space

The entire cubic content of the space may be used up to the maximum allowable height, which is usually a range of 16ft to 20ft (4.88m to 6.10m), including signage.

FRONT VIEW

Extended Header Booth 20ft (6.10m) or Longer

An Extended Header Booth is a Linear Booth 20ft (6.10m) or longer with a center extended header.

Dimensions and Use of Space

All guidelines for Linear Booths apply to Extended Header Booths, except that the center extended header has a maximum height of 8ft (2.44m), a maximum width of 20 percent of the length of the booth, and a maximum depth of 9ft (2.7m) from the back wall.

10' X 20' EXTENDED HEADER BOOTH

Other Important Considerations

Canopies and Ceilings

Canopies, including ceilings, umbrellas and canopy frames, can be either decorative or functional (such as to shade computer monitors from ambient light or to allow for hanging products). Canopies for Linear or Perimeter Booths should comply with Line-of-Sight requirements. (See “Use of Space” for Linear or Perimeter Booths).

The bottom of the canopy should not be lower than 7ft (2.13m) from the floor within 5ft (1.52m) of any aisle. Canopy supports should be no wider than three inches 3in (.08m). This applies to any booth configuration that has a sight line restriction, such as a Linear Booth. Fire and safety regulations in many facilities strictly govern the use of canopies, ceilings and other similar coverings. Check with the appropriate local agencies prior to determining specific exhibition rules.

CANOPIES AND CEILINGS

Hanging Signs & Graphics

Most exhibitions and events rules allow for Hanging Signs and Graphics in all standard Peninsula and Island Booths, usually to a maximum height range of 16ft to 20ft (4.88m to 6.10m) from the top of the sign, or as determined by the show organizer. End-cap Booths do not qualify for Hanging Signs and Graphics. The distance is measured from the floor to the top of the sign. Whether suspended from above, or supported from below, they should comply with all ordinary use-of-space requirements. For example, the highest point of any sign should not exceed the maximum allowable height for the booth type.

Hanging Signs and Graphics should be set back 10ft (3.05m) from adjacent booths and be directly over contracted space only.

Approval for the use of Hanging Signs and Graphics, at any height, should be received from the exhibitions or events organizer at least 60 days prior to installation. Variances may be issued at the exhibitions or events management's discretion. Drawings should be available for inspection.

Towers

A Tower is a free-standing exhibit component separate from the main exhibit fixture. The height restriction is the same as that which applies to the appropriate exhibit space configuration being used.

Towers in excess of 8ft (2.44m) should have drawings available for inspection. Fire and safety regulations in many facilities strictly govern the use of Towers. A building permit or safety lines may be required.

Multi-story Exhibit

A Multi-story Exhibit is a booth where the display fixture includes two or more levels. In many cities, a Multi-story Exhibit requires prior approval by the exhibit facility, and/or relevant local government agency, as well as show management because it is deemed to be a “structure” for building purposes. The city building department generally needs to issue a building permit based on an application and drawings prepared and submitted by a licensed architect or engineer. Exhibitors should obtain local building regulations early on to ensure that all time constraints are met. Exhibitions and events organizers should be prepared to assist exhibitors in this application process.

Issues Common To All Booth Types

Americans with Disabilities Act (ADA)

All exhibiting companies are required to be in compliance with the Americans with Disabilities Act (ADA), and are encouraged to be sensitive, and as reasonably accommodating as possible, to attendees with disabilities. Information regarding ADA compliance is available from the U.S. Department of Justice ADA Information Line (800) 514-0301, and from the ADA website at www.ada.gov. Some examples of how to design an exhibit for ADA compliance:

- Make exhibits wheelchair accessible by ramping raised exhibit flooring without extending a ramp into the aisle. Note: a standard wheelchair ramp should have a grade no steeper than 1:12. This means that for every inch of rise (change in height), there should be 12 inches of run (change in length)
- Ramp the entry or use hydraulic lifts to trailer exhibits
- Avoid double-padded plush carpet to ease mobility device navigation
- Provide the same attendee experience on both levels of a two-story exhibit
- Offer a signer or other auxiliary hearing-impaired apparatus for sound presentations or have a printed copy of the presentation available
- Run an audio presentation for people with sight problems
- Arrange touch screen displays at a height to accommodate a person sitting in a wheelchair

To avoid heavy fines by the U. S. Department of Justice, exhibitors must adhere to the ADA rules. Exhibits are not exempt from ADA compliance.

Structural Integrity

All exhibit displays should be designed and erected in a manner that will withstand normal contact or vibration caused by neighboring exhibitors, hall laborers, or installation/dismantling equipment, such as fork lifts. Displays should also be able to withstand moderate wind effects that may occur in the exhibit hall when freight doors are open. Refer to local building codes that regulate temporary structures.

It is recommended that all 20ft by 20ft (6.10m by 6.10m) and over exhibits require a drawing, plans or renderings, preferably digital, to be submitted to the show organizer, and to the show's general service contractor.

Exhibitors should ensure that any display fixtures such as tables, racks, or shelves are designed and installed properly to support the product or marketing materials to be displayed.

Flammable and Toxic Materials

All materials used in display construction or decorating should be made of fire retardant materials and be certified as flame retardant. Samples should also be available for testing. Materials that cannot be treated to meet the requirements should not be used. A flame-proofing certificate should be available for inspection. Exhibitors should be aware of local regulations regarding fire/safety and environment which must be adhered to.

Exhibitors should dispose of any waste products they generate during the exhibition in accordance with guidelines established by the Environmental Protection Agency and the facility.

Storage

Fire regulations in most exhibit facilities prohibit storing product, literature, empty packing containers, or packing materials behind back drapes or under draped tables. In most cases, however, exhibitors may store a limited supply of literature or product appropriately within the booth area, so long as these items do not impede access to utility services, create a safety problem, or look unsightly.

Issues Common To All Booth Types *(continued)*

Electrical

Every exhibit facility has different electrical requirements. However, minimum guidelines are suggested:

- All 110-volt wiring should be grounded three-wire.
- Wiring that touches the floor should be “SO” cord (minimum 14-gauge/three-wire) flat cord, which is insulated to qualify for “extra hard usage.”
- Cord wiring above floor level can be “SJ” which is rated for “hard usage.”
- Using zip cords, two-wire cords, latex cords, plastic cords, lamp cords, open clip sockets, and two-wire clamp-on fixtures is not recommended and is often prohibited. Cube taps should be prohibited.
- Power strips (multi-plug connectors) should be UL approved, with built-in over-load surge protectors.

Lighting

Exhibitors should adhere to the following suggested minimum guidelines when determining booth lighting:

- No lighting, fixtures, lighting trusses, or overhead lighting are allowed outside the boundaries of the exhibit space. Exhibitors intending to use hanging light systems should submit drawings to exhibition management for approval.
- Lighting, including gobos, should be directed to the inner confines of the booth space. Lighting should not project onto other exhibits or exhibition aisles.
- Lighting that is potentially harmful, such as lasers, ultraviolet lights or flashing or strobe lights that can trigger photosensitive epilepsy should comply with facility rules and be approved in writing by exhibition management.
- Lighting that spins, rotates, pulsates, and other specialized lighting effects should be in good taste and not interfere with neighboring exhibitors or otherwise detract from the general atmosphere of the event.
- LED lights can be very bright yet generally generate less heat.
- Currently, some convention facilities are not allowing certain types of quartz halogen lighting fixtures in exhibits due to potential fire hazards. Check with exhibition management.
- Reduced lighting for theater areas should be approved by the exhibition organizer, the utility provider, and the exhibit facility.

Demonstrations

As a matter of safety and courtesy to others, exhibitors should conduct sales presentations and product demonstrations in a manner which assures all exhibitor personnel and attendees are within the contracted exhibit space and not encroaching on the aisle or neighboring exhibits. It is the responsibility of each exhibitor to arrange displays, product presentation, audio visual presentations, and demonstration areas to ensure compliance. Exhibitors should be aware of local regulations regarding fire/safety and environment which must be adhered to.

Special caution should be taken when demonstrating machinery or equipment that has moving parts, cooking equipment with an open flame, or any product that is otherwise potentially dangerous. Exhibitors should establish a minimum setback of 3ft (.91m) and/or install hazard barriers as necessary to prevent accidental injury to spectators. Additionally, demonstrations should only be conducted by qualified personnel.

Issues Common To All Booth Types *(continued)*

Sound/Music

In general, exhibitors may use sound equipment in their booths so long as the noise level does not disrupt the activities of neighboring exhibitors. Speakers and other sound devices should be positioned so as to direct sound into the booth rather than into the aisle. Rule of thumb: Sound and noise should not exceed 85 decibels when measured from the aisle immediately in front of a booth. (Refer to OSHA at www.osha.gov for more information.)

Exhibitors should be aware that music played in their booths, whether live or recorded, may be subject to laws governing the use of copyrighted compositions. ASCAP, BMI, and SESAC are three authorized licensing organizations that collect copyright fees on behalf of composers and publishers of music.

Vehicles

Vehicles: Rules vary depending on the facility, but generally it is required that vehicles on display have no more than one fourth tank of gas. The filler cap should be sealed and the batteries disconnected. External chargers are usually recommended for demonstration purposes. Keys should always be surrendered to show management while participating in an exhibition or event.

Advisory Notes To Exhibition Organizers

End-cap Booths: End-cap Booths cause more problems between exhibitors than any other type of booth, because most exhibitors fail to observe back wall height restrictions. Exhibition managers should be alert to exhibitors reserving End-cap configurations to ensure they do not violate Linear Booth Line-of-Sight regulations for neighboring exhibits.

Fire Equipment: Fire hoses, extinguishers, and audible or visual devices for fire alarms should be visible and accessible at all times.

Hanging Signs: Although these *Guidelines* indicate 16ft to 20ft (4.88m to 6.10m) as a maximum height range from the top of the sign, some exhibitions permit other heights, or have no height limit. Caution should be exercised so exhibitors will not compete over air space for Hanging Signs. Most show organizers limit the height of signs.

Exhibitors should be advised to install “hanging points” at the time of manufacture of the sign or display. It is also advisable to have Hanging Signs labeled and cased separately so that they can be easily identified on-site as they usually must be installed before other exhibit construction can begin.

Hardwall Booths: Exhibitions that provide Hardwall Booths should specify if these structures can be used for display and attaching products.

Full Cubic Content in Linear Space: It is the responsibility of the exhibitions or events organizer to establish rules to best achieve the goals for their exhibition or event based on the nature of their exhibition and event, and industry sector it serves.

Cubic Content Definition: Using the perimeter lines of a booth as a guide, the exhibitor may install a booth up to these lines and utilize all the volume of space within these lines up to the maximum height permitted by the show rules as determined by the show organizer.

It is the choice of the exhibitions or events organizer to allow use of full Cubic Content in linear exhibit space or to observe the Line-of-Sight set-back rule. It is common at certain types of exhibitions or events to eliminate the Line-of-Sight requirement for Linear, End-cap, and Peninsula Booths that back up to Linear Booths. This permits exhibitors to utilize the full Cubic Content of the booth.

Organizers that permit use of Cubic Content in Linear Booths do so for one or all of these reasons:

- Cubic Content is more conducive to certain types of product displays or experiences.
- Cubic Content maximizes the exhibit space and investment.
- International exhibitions generally utilize Cubic Content making the show friendlier to international exhibitors.
- Cubic Content reduces the need to police exhibits to enforce setback rules.

Use of Cubic Content may create situations where the organizer must address exhibits that have unfinished walls. A determination must be made as to responsibility for finishing these unfinished walls.

It is prudent for the exhibitions or events organizer considering Cubic Content to examine the concerns, advantages and disadvantages prior to putting Cubic Content guidelines into practice. It is often wise to consult with the exhibition’s Exhibits Advisory Board or perhaps conduct a focus group of the exhibition’s or event’s exhibitors to determine their interest and gain their feedback and support for the concept. Exhibitions and events organizers must be proactive in communicating with exhibitors and understanding the effect it will have on the exhibition or event.

To learn more about Full Cubic Content, read the IAEE White Paper: **Evaluating and Implementing Cubic Content into Linear Exhibit Space.**

Advisory Notes To Exhibition Organizers *(continued)*

Perimeter Openings: Large Peninsulas and Islands with long high walls can create a “tunnel-like” effect. Exhibitors may be required to install a minimum 6ft (1.83m) opening every 30ft (9.14m).

Pipe and Drape: These are commonly used at exhibitions and events in the United States to define exhibit space. Exhibitions and events organizers often include in their rules and regulations that this equipment is not intended as a display fixture. Therefore, product and signs should not be attached or affixed. Measurements of booths must allow for size of pipe on sides and back.

Product Height: Some exhibitors have products that exceed display height restrictions. Exhibitions and events organizers should establish guidelines for displaying such products. For example, some exhibitions or events require that these exhibitors reserve only perimeter space. Products exceeding height restrictions for Islands and Peninsulas are usually permitted, providing they are displayed in operating mode, and the names and logos, etc. on the product are as it is sold.

Height Variances: Height Variances may be issued for all types of booths. However, in a Linear Booth, the back side of any structure over 8ft (2.44m) must be free of trademarks, graphics and/or logos.

Environmental Responsibility: Exhibitions and events, by their very nature, create waste. Properly managed, exhibitions and events can recycle excess materials and supplies in useful and meaningful ways, and they can do so using methods that result in minimized impact on the environment. Exhibits should utilize recycled, renewable and energy efficient materials whenever possible.
